Dear Persuader,

Adopting these power words in your language will only make you much more powerful in persuasion. In that case, I advise you print these off and get in the habit of saying them when you speak and write.

Also, there are over 100 of the most powerful I've gathered inside "**Private Language Patterns**" – if anything, I advise you to at least get those words into your memory banks.

Okay? 😊

Yours in persuasion,

Nathan Blaszak
